FCC Warning Statement
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

1.Introduction

4.2.Pairing to Mobile phone or other device

To use your wireless speaker, you must first pair your speaker with a phone or a computer. Once your wireless speaker is paired to a specific mobile phone, they will remain paired and automatically recognize each other whenever they are within range.

Pairing to a phone and Entertainment:
- Turn on your phone and ensure its Bluetooth function is activated
- Turn on the speaker go to the pairing mode.
- Search your Bluetooth devices on your phone by following the phone's instructions. Refer to your phone's user manual for more information.
- After a few second the phone will list the "Cube BT Speaker" as a discover device. Select it and follow your phone instruction to select this pairing.
- Your phone will confirm the pairing, and then press Yes/Ok.
- Finally, select to connect with Round speaker from your phone.
- You can play music; watch TV/movie and play game with your phone, then your can hear all the sound or music form the speaker. Also you can control the player by operating the speaker. Example, volume up and next music.

Pairing to a computer and Entertainment:

- If there is no Bluetooth function supported by your computer, a Bluetooth adapter is necessary. Fix the adapter with your computer and ensure its Bluetooth function is activated.
- Turn on the speaker go to the pairing mode.
- Open the Bluetooth software (such as BlueSoleil) installed on your computer, and selects "Search your Bluetooth devices" function. Refer to user manual of the Bluetooth software for more information.
- After a few second the "Cube BT Speaker" will list in Bluetooth software of your computer as a discover device. Select this icon and click right button of mouse to select "pairing" item, then select "connect with audio device" with same operation.
- Open your media player soft to play music, watch TV/movie and play game, then all the sound will be playback on your speaker.

4.3.Charging your speaker

The speaker is convenient to connect to Micro USB charger with Micro USB port marked with ⬷ . Make sure that your speaker is full charged for at least 6 hours before initial use. Insert one terminal of your charger to USB port of PC and other terminal to Micro USB cable.

Warning:
- You must select a qualified charger from a regular manufacturer.
- You must charge the wireless speaker if it has been not used for more than 12 months.
